#### **Song:** It's a Party

[Repeat two times]

*It's a party! It's a party!  
We will have ice cream and candy!  
There are lots of big balloons.  
They are yellow, red, and blue!  
Dance around! Dance around!  
It's a party! It's a party!*

*It's a party! It's a party!  
We will have a cake with candles!  
There are lots of big balloons.  
They are yellow, red, and blue!  
Dance around! Dance around!  
It's a party! It's a party!*

#### **Song:** Where Are You Going, Friend?

*Hey, little, little rabbit!  
Where are you going, friend?  
Hopping, hopping all around.  
Where do you live, friend?  
I live in the mountain!*

*Hey, little, little fish!  
Where are you going, friend?  
Swimming, swimming all  
around.  
Where do you live, friend?  
I live in the ocean!*

*Hey, little, little bird!  
Where are you going, friend?  
Flying, flying all around.  
Where do you live, friend?  
I live in the clouds and sky!*
