

November is the Peace Month.

Wish for peace of our friends all over the world.

What We Can Do ①

Draw/Write a peace message on a peace dove and send it to the YMCAs overseas.

By Momo Leader

We may not have chance to think about “Peace” often in our daily lives. The Peace Month can be a good opportunity for us to think more deeply about “Peace”.

Your messages will be sent to the YMCA friends all over the world!

What We Can Do ②

Make a donation.

The donation will be directed mainly towards supporting people of Southeast Asian countries, offering a better education and encouraging their independence.

This fund-raising campaign lasts until March, 2019.

We appreciate your kind support.

What We Can Do ③

Join the Welcome Fiesta.

The Welcome Fiesta is a fund-raising event organized by Yokohama Chuo YMCA and held on Friday, November 23. There will be a haunted house, flea markets, ethnic food stands and more!

The profit from this event will go to funds which help people inside and outside Japan.

Chuo YMCA English school will run a Turkish food stand on that day. Please come and try the tasty Turkish food!

Volunteer helpers and donations are wanted!
